

THE PUMP HAUS

Protects All Types of Above-Ground Pumps.

Effective, easy to install and UV-resistant.

The Pump Haus is designed to protect all types of above ground pumps from exposure to the elements. The rugged, non-rusting design will allow for air circulation and easy installation. The base can be secured to prevent movement after installation. The dimensions are 22" long X 15.5" high X 18.5" wide, weighing 6.8 lbs.

The Pump Haus is shown with a RidO'Rust Siphoning System.
